OUTSOURCING:

We have referenced suppliers certified ISO 9001 in each speciality: Machined components, Pressed parts, Stamping, Fabricated parts, Castings, Forgings, Sheet metal worked parts, Tools & Dies, CAD, CAM.

According to the specifications, we give the job to our most competent partner.

Our local team follows the achievement of the order: quality, delivery time, packing.

We deliver at your work.

OUR SERVICES:

● **Sourcing of partners:**

You are looking for a financial, technical or commercial partner. You want to make a joint-venture.

The choice of your future partner is the key for success. We work with you in your steps toward this partnership

● **Market survey :**

Before launching a new product on the market, it is necessary to make a survey in order to collect some minimum information: Today's sales? Expected sales in the years to come? Competitors, their capacity, their market share, their vendor network? Potential partners, their profile and how many are they? Best strategy?

● **Local support :**

GSI provides a large range of services for your starting operations: Registration of your company, administrative and legal support, accommodations, finding of addresses for your plant, office...

GSI IS YOUR PARTNER FOR SUCCESSFULL OPERATIONS IN INDIA
